Within these pages

The Senior Class of 1935 presents its volume of the Pennant Annual. Within these pages we bring to you the accomplishments of the many young people being prepared for the problems they are about to face. The present day school systems offer more in practical education than did the schools of a few years ago. Although we have not lost sight of the importance of scholarship, it is the extra-curricular activities that make school life more enjoyable, and that develop originality and initiative on the part of the student. Perhaps that is why these organizations and activities are given so much space in the making of our year book.

Each morning there is the noise of hurrying feet, gay young voices, the slamming of locker doors, the warning voice of a bell—then quietness descends, and with the staccato of typewriters, the thud of feet in the gym, the turning of pages and scratching of pens the day's work at Elkhart High School gets under way. It is the spirit of the activities of the students in the classroom, on the athletic field, at work and at play that we have tried to record.

Following the 1934 Plan

In planning this year's annual, the staff has followed the style and size of the 1934 book. This magazine style was chosen last year as a means of economy and simplification. This change has made it possible to make a reduction in the price of the book, and yet include all the features and sections essential to the portrayal of school life. The greatest change from last year's book has been the use of the flexible leather cover.

The Senior portraits have been arranged in a different manner from those of last year. But the greatest change in the presentation of the classes is in the individual pictures of the underclassmen. Instead of students being placed upon rows of bleachers in class groups, portraits of each pupil were taken and mounted as to class. We feel that this is a great improvement on group pictures of former years.

The Hall of Fame

The introduction of a Hall of Fame section is added to recall, in years to come, those students who have been the leaders and have been outstanding in their field of extra curricular activities. Some have been athletes; others, musicians; many more are honored because of their achievements in classes or organizations.

The snapshot pages portray the students around school, in their favorite haunts, in groups, and with their pals. Each picture in this section presents a story of the friendships and moods of the people represented.

Athletics

Athletics have offered many seasons of interesting events, not only from the spectator's point of view, but also from that of the boys who participate. While out at

the field or in the gym tugging, tackling, hitting and challenging their friends and opponents, these boys are confronted with many problems. These are solved by the aid of the coaches and the fellow athletes, so that a boy learns more than just the rules of the game, when he goes out for any form of athletics.

In the last two years most of the football games have been played at night. This has made taking action pictures impossible; therefore, such pictures are lacking from this section.

The calendar has been taken from the center of the book and placed in the advertising section. You will not find notes or merely a word about things that happened throughout the year, but a clever column recalling these events.

Actual Pieces of Cloth

Art work played a dominant part in building this book as a most up to date method of color work has been employed. Actual pieces of cloth were photographed; it was from these photographs that the cut outs and the tint blocks were made. This type of art work has been used in recent issues of popular magazines, and we hope this will be a sensational feature.

Realizations and Regrets

There is a definite feeling in the building of a year book. Responsibilities, decisions, problems and the joy of watching a conception grow into an actuality all contribute to this feeling. There are realizations and regrets; we are conscious of the many dreams we had that are not fulfilled; but there is a balance of things learned, discovered and accomplished.

If you are pleased with this record of school events, activities and friendships, we shall feel that this repays us for all our time, work and worry.

Looking Back On Secondary Education

The First Grammar School

The first step in meeting the problem of secondary education was taken by the citizens of Boston in a town meeting assembled on the twenty-third of April, 1635, so that the present year marks the tercentenary of the establishment of the American high school.

Three hundred years ago, these schools, called Latin grammar schools, prepared students for the ministry whether they were fitted for that profession or not. In preparing for the practices of law or medicine, apprenticeship methods prevailed. No training was offered for those wishing to enter the fields of banking, trade, industry, and commerce.

In supporting these schools, the colonists resorted to one or more of the following means: Grants of lands, bequests, tuition, taxation, income for lease of power sites, fords, fishing, monopolies, legacies and the like.

Use of the Name "High School"

In 1821 in Boston the English Classical School was opened, the name later being changed to the English High School. This was the first use of the name "high" school which has since identified itself with all public secondary education. The important characteristics of the high school were the demotion of the classics, the emphasis on the study of English, and the aim to provide for some form of vocation.

Even this recently, the feeling throughout the country was that secondary education belonged to the upper classes. It took time, and a long time, for the public to realize that access to secondary education was needed for the children of all the people, both for their own good, and for better citizenship.

Forming the Curricula

In 1871, an accrediting system was begun in forming curricula of high schools. In the early 90's the problems of curricula attracted much attention, but the most important agency in revision was the National Education Association, which also brought about the better degree of distinction between the elementary and secondary schools.

The evolution of the building from a rectangle of logs to the modern buildings, designed for the best of lighting, heating, comfort, quiet and beauty is almost as miraculous as that of the curriculum. High schools today, given funds for their operation, open their auditoriums, recreation fields and gymnasiums to all the activities of the entire community, and the school of tomorrow will probably include adult education classes providing for the leisure of the twenty-five hour week.

Growth of High Schools

The value of high school education, the increase in the number of student who find it valuable, and its subsequent decrease in the number of boys and girls absorbed by child labor are all shown in the following figures:

In 1880, 2.8 percent of the population between the ages of fourteen and seventeen years attended high school. By 1930, 47% of the boys and girls of this age were in school; from 1910 to 1930, high schools grew eight times as fast as the population.

In 1900, 26 percent of all boys between the ages of ten and fifteen were being employed, and 10 percent of all the girls of this age were working. By 1930, only 6.4 percent of boys of school age were working while only 2.9 percent of girls of this age were employed.

Our Own High School

The growth of Elkhart High School from its beginning nearly one hundred years ago has been similar to this general growth. The curriculum has been changed and enlarged until it includes work of every type, and preparation for college and for many fields of employment for the student when he graduates.

The building has been enlarged in proportion to the growth of the school, so that on this anniversary of the founding of the American high school, parents and citizens can take pride in our school building, our course of study, our scholastic records and accredited standing, and in the athletics, musical, and many other honors that we win each year. Elkhart High School is an up-to-date, successful school, a vital part of an up to date successful city.

Administration

MR. J. F. WILEY
Superintendent

Mr. Wiley has been superintendent of the Elkhart City Schools for fourteen years, coming to our schools from Mattoon, Illinois.

Not only because his three sons have graduated from Elkhart High School, but also of his deep interest and concern, we feel that the problems of teachers and students are his problems.

MR. JOHN W. HOLDEMAN
Principal

Mr. Holdeman has been principal of the high school for fifteen years. During that time he has seen our school double in enrollment. The enlarging of the school has brought him many additional responsibilities and worries, but he manages somehow to give time and attention to all of the school activities, and we are always conscious of his devotion to our interests and welfare.

Board Of Education

As a very necessary part of the administration of our school affairs, the board of education has served wisely and efficiently. This group consists of Mr. Otto H. Helfrick, president; Mrs. Grace A. Carpenter, secretary, and Mr. Fred Lundquist, treasurer. Mr. Lundquist replaces Mr. G. W. Anderson on the board.

Few of us, as students, come in contact with these citizens, but they are friends of ours as their smooth guidance of our finances indicates. They, with Mr. Holdeman and Mr. Wiley, are the power behind our great organization.

Elkhart High School Parent-Teacher Association

The need for a Parent-Teacher Association in Elkhart High School, grew from the success which the 3000 Club met in raising funds to send the band and orchestra to the State and National contests.

On September 27, 1934, a meeting of parents and teachers of the Elkhart High School was called. Mr. Ross Martin served as temporary chairman and Mrs. William Deitch as temporary secretary; these had been their respective offices in the 3000 Club.

It was voted to organize a Parent-Teacher Association. A constitution was adopted and a nominating committee, composed of Mr. Bruce Whiting, Mrs. M. O. Swank and Mrs. Otto Smith, was appointed. Mr. J. C. Cameron, Principal of Mishawaka High School, was the speaker of the evening and gave many valuable suggestions in regard to P. T. A. work and organizations.

At this meeting the payment on a harp, purchased for the orchestra, was the first obligation assumed by the Parent-Teacher Association. The music department of the P. T. A. has fully paid for this instrument during the school year. In addition to this, the music room was sound-proofed for broadcasting.

On October 12, 1934, the second meeting was called and the nominating committee reported their slate of officers selected: Mr. Ross Martin, president; Mrs. Richard Twichell, first vice-president; Mr. R. A. Sproull, second vice-president; Mrs. Lester Inebnit, secretary, and Mr. Benjamin Ebersole, treasurer.

Most of our work has been done through committee heads appointed by the executive committee. The chairman of the music committee is Mr. R. C. Shupert, whose

committee has done the outstanding work of the year. Mr. David Hughes has been co-chairman with Mr. Shupert.

Miss Dorothy Kelly's department, publications, is represented by Mr. Clarence Ziesel; Mr. Paul Huffman's debating department, by Mr. Ursa Williams; Miss Louise Winternitz's dramatic department, by Mrs. M. O. Swank and Mr. Chelsea Boone's athletic department, by Mr. Jay Weaver.

Mr. George Rowe, one of Elkhart's finest citizens, has been our child welfare chairman, and if nothing else has been accomplished, the club is proud of its work done under this committee.

A fine general meeting on November 15 was held at which time Rev. Robert Hall, Chaplain of Indiana State Prison at Michigan City, spoke. The meetings since have been executive meetings which took care of committee reports.

We closed our year on April 10 with a "Know Your School" program and an address by Mr. J. W. Holdeman, Principal. At this meeting, new officers were elected for the ensuing year.

While we have not been able to accomplish many things we desired, we feel our infant Parent-Teacher Association of Elkhart High School, is a husky strong child and will grow to be a fine, healthy man-sized organization which will accomplish many fine things for the students of Elkhart High School.

Mrs. Richard Twichell,
First Vice-President,
E. H. S.—P. T. A.

January Class History

For the first semester we merely wandered aimlessly and watched the progress of other classes. Then we met and for our first quarter we elected as president, Robert Brusman; vice-president, Henry Sears; secretary, Ruth Manes; treasurer, Geraldine Wienhoft; social chairman, Ernestine Brown. We chose Miss Bernita Burns as sponsor. The first party was held in the gym; dancing and games were enjoyed. Later the class sold candy at the Riley-Elkhsrt basketball game to help start us out on a financial basis.

In our second quarter our new classmates from Roosevelt met with us to elect officers: Robert Brusman, president; Henry Forbes, vice-president; Ruth Manes, secretary; Geraldine Wienhoft, treasurer; Joe Sellers, social chairman. To end our second quarter, we retained Miss Burns as sponsor and elected the following: Joe Sellers, Robert Weaver, James Adams, William Ludwig, and Mary E. Bowser. During this year we had a class party in the gym, and sold candy at a basketball game. We also sponsored a George Washington jitney dance in the gym.

In 1934, our junior year, William Ludwig was chosen president with Geraldine Wienhoft assisting him, Doris Spickett, Peggy Lyndall, and Joe Sellers carrying out remaining duties. In October, we had a joint party with the IIC's in the gym and in the spring another party was held at which dancing was the main feature. The next semester, James Adams was elected president with Doris Spickett as his assistant. Other officers were Howard Eaton, Robert Brusman, and Ruth Manes.

The biggest event of this year was the Junior-Senior Prom, May 19, held at the Spinks at Lake Wawasee. At six-thirty a banquet was given, with dancing later forming a pleasant evening.

To start our senior year James Adams held his former position. Other officers were Robert Brusman, Geraldine Wienhoft, Ruth Manes and Joe Sellers.

To bring us into the home stretch, Ray Holmes was chosen as our leader. Robert Brusman and Geraldine Wienhoft retained their offices with Ty Schuler taking care of the finances and James Adams as social chairman. A very interesting Senior Day program was given which brought out many unsuspected talents. Our class banquet which was held in the cafeteria, was well attended; the theme was "A Race Track". Many interesting speeches were given and Miss Burns was presented with a gift.

We were very fortunate in having Miss Burns with us during our four years as she was invaluable, with her excellent judgment, her fairness, and keen interest in our class activities. We could always count on her for help and cooperation in our problems. Without her guidance, we would often have been bewildered and inefficient.

Motto—Not finished, just begun. Flowers—Johanna Hill roses and violets. Colors—Purple and gold.

June Class History

The class had a hard times party in the gym May 28, and dancing was enjoyed.

Early the following fall, our new classmates from Roosevelt entered. We again chose Mr. Hughes as councilor and the following officers: President, Dick Abel; vice-president, Richard Shasberger; secretary, Dorothy Donovan; treasurer, Robert Cutshaw. Mr. Hughes chose the social committee. Another party was held October 21, dancing and games furnished entertainment.

In the second semester, the new elected officers were as follows: President, Dick Abel; vice-president, George Odell; secretary, Rosalys Bucher; treasurer, Robert Cutshaw; social chairman, Margaret Helser and Dick Shasberger. During the last year the following officers were elected: President, George Odell; vice-president, Richard Shasberger; secretary, Dorothy Donovan; treasurer, Robert Cutshaw; social chairmen, Martha Sears and Bud Sheehan. Again we joined with the January class and chose a staff to edit our Annual.

The second semester, on February 1, the last election was held, resulting as follows: President, re-elected, George Odell; vice-president, Robert Heuman; secretary, re-elected Dorothy Donovan; treasurer, Betty Ferro; social chairmen, Margaret Helser and Don Kipka. The last class party was held March 9, in the gym, with the January class.

Main features of the senior year were the class play, "The Meanest Man in the World", given May 10, Senior Day, May 23, and the Senior Banquet, May 28, Baccalaureate, May 26; and Commencement, May 29.

To our sponsor, Mr. Hughes, who has worked faithfully with us for four years, we wish to acknowledge our appreciation. Although many other tasks demanded much of his time, he never neglected his duties as our sponsor. He was always cheerful, helpful, and willing to cooperate with us in all of our activities. To him, we owe much of our success as a class.

The Junior Class has, as usual, been one of the most active classes in school. Early in the year, the two classes, June and January, established a precedent by uniting under one group of officers and sponsors. Miss Broughton and Mr. Mater were chosen to guide the classes throughout the year.

On October 23 the class held a party in the gym. Dancing was enjoyed for the greater part of the evening and refreshments were served.

During the fall, the Junior rings and pins were chosen. The base of the emblem was of smoked pearl with a choice of white gold or silver for the class insignia and the mounting.

It has not been the practice for the Freshman classes to organize until they have been in school at least one semester. This gives them a chance to become familiar with the school, the students, the teachers, and the customs, so that they know how to go about the work of their class.

Although the Freshmen bear the brunt of much teasing and joking from the upperclassmen, we all realize that they are the potential leaders and doers of the school and we enjoy the fresh interest and enthusiasm which they bring into the school life.

The two classes went together and elected their officers from one group. Miss Busche and Mr. Bowman were chosen as class sponsors. They were handicapped by late organization and did not get to take part in the candy sale at the football and basket ball games.

In May a party was given in the gym and was thoroughly enjoyed by all. Also in May the Freshman Pennant was issued with Shirley Morton as editor-in-chief and a staff of class members to aid her.

Elkhart High School Band

DAVID W. HUGHES, *Director*

The Band, under the drilling of Mr. Clark, presented unusual and thrilling performances while parading under the floodlights at Rice Field during the football season. The two drum majors, Catherine Clark and Edward Robinson, received praise for their remarkable ability at the contests and won first division honors.

A series of semi-weekly broadcasts were given by the band from their sound-proof room, during the year.

The addition of the harp to the band has improved it very much and made it possible to play many pieces in the original score since the harp solos can now be played. The harp was bought by the Parents Music Club.

Another very much appreciated gift to the music department was the collection of many wonderful scores and books of music presented by Mrs. James Boyer. This is now known as, "The James Boyer Memorial Library."

The band gave a series of concerts in the auditorium, the first being given November 9, in which solos were played by Franklin Stenberg. Another concert was given February 8, in conjunction with the orchestra. Maxine Proseus played a harp solo.

At the district contest held at Goshen, Indiana, April 12-13, the band earned the right to compete at the state contest held at Evansville, Indiana, May 2, 3, 4, by placing in the first division. They also won a bronze plaque for the best playing band while maneuvering.

Elkhart High School Orchestra

The orchestra, composed of one hundred members, has had a profitable, successful and enjoyable year.

Each spring contests are held for bands, orchestras, soloists, and ensembles. First there is the district contest, then the state, and then the national. Last spring the orchestra was successful enough to compete and win second division in the national contest which was held in Ottawa, Kansas. The entire group made the trip by train.

Last spring a music Parents Club was formed to sponsor the concerts, trips, and other music department activities. The praise and thanks owed them cannot be expressed.

The new harp, which was another P. M. C. project, and which is the instrument needed to make complete instrumentation and add foundation to the orchestra, is displayed proudly. It is also a good solo instrument.

The rehearsal room has been "insulated" so as to absorb some of the excess sound. The parents of the members of the music department installed this insulation which has helped the rehearsals a great deal, and has made broadcasting from the rehearsal room possible.

The pit orchestra plays for the Junior and Senior plays each year and this year again helped with the Christmas Play and the Operetta, which was given by Miss Minardow and the Glee Clubs.

A demerit system is being used this year for discipline, punctuality, and rating. Letters are awarded to people who keep their demerits below a certain number. This system has proved very successful.

For the first time in a number of years the Boys' and Girls' Glee Clubs are under one director, Miss Gladys Minardow. The Glee Clubs this fall started out with a membership of sixty; their aim is to maintain an organization that stands for the best in singing. One of the first participations was at the N. I. H. S. Teachers' Association at South Bend in October. In November they gave an assembly and assisted the orchestra in a concert in December.

The second semester increased the enrollment to ninety-two. The opera "Pirates of Penzance" was given February 21 and showed that the Glee Clubs had gone a long way in accomplishing their aim. The All Boys' Concert given in January included the High School and Grade School Boys, with the assistance of the Boy Soprano, Wilbert Liebling from Chicago, made an enjoyable evening.

In the Eisteddfod the Glee Clubs proved their value by capturing first place for the entire chorus, first place for the boys' chorus, and second place for the girls' chorus. Following this they gave an assembly in which the student body participated.

The minstrel given in May was a mixture of good negro spirituals and popular music. Last, a concert of large and small groups with solos was given as a climax to the years' work.

Pals Forever

What could be more appropriate than to have Joe and Libs, or Bob and Vernagene under the spotlight for the Palsie Walsie page? . . . Did she say "yes", Jakie? . . . What good-looking boys are responsible for the Palmer-Cawley smiles? . . . Doris and Betty take time out from their editorial duties to smile for the camera. . . . Couldn't you Monrads find a less childish place to have your pictures taken? . . . What happened to that finger, Frank? . . . Wherever you see Johnson, you see Rutter; wherever you see Nolan, you see Goard and Podawiltz . . . The Lauers, Wagner and Stone also belong to the list of inseparables. . . . Sophomores, Juniors, Seniors—it is the pal-spirit that makes school life what it is.

All Work and No Play

Did you and Shupe make-up again, Inie? . . . We never would have suspected it of Bernadine and Marilyn. . . . That's one advantage of wide fenders. . . . Do you suppose Jo can really ride that bike? . . . So Helen and Nellie were put with the rest of the excess baggage. . . . What toothpaste are George, Don, and Bob advertising? . . . With escorts like that, we shouldn't think Peg and Dot would be so shivery. . . . If those twerps down in the left hand corner have been studying to be idiots, they should get their diploma now. . . . So monkeys have taken to climbing street signs. . . . Here's the little church around the corner. . . . Yes, McDaniel is taking her gang for a ride. . . . And here are the accommodating gents who pick up after you.

Gangin' Round

We wonder what the Jackson-Cutshaw gang is up to. . . . We weren't surprised when we saw Betty with her admirers, but we would have been astounded to see Mary without Gordon. . . . Having cleaned off the crumbs, the Handy Dandy bunch line up for their camera-test. . . . Kelley certainly tried hard enough to scare us away. . . . Careful, Monie and Jean, you'll miss your lunch. . . . That gang has designs on Danforth's Ford. . . . Mat has a couple of pals to look up to. . . . Don't tell us these intelligent looking students are going to the library. . . . Conboy and the Roosevelt gang seem pleased with E. H. S. . . . Gangin' 'round, hangin' 'round. . . . that's what makes the world go 'round.

Variety Is Said to Be the Spice . . .

How long has this been going on, Edwin? . . . Dick's theme song should be, "My Old Flames" . . . Jane *looks* studious, at least. . . . The life of a flivver around E. H. S.! . . . Perhaps Pletch sees Doris somewhere on the horizon. . . . That couple down in the corner looks sorta wistful, can it be the Spring? . . . Dick Phillips should be more careful of grocery trucks. . . . Here's hoping the car doesn't start, Gil. . . . What's the attraction, Margie? . . . Doesn't Bringle look interested—and who wouldn't? . . . If variety is indeed the spice of life, then school days are sugar and spice, and everything nice.

Here We Are

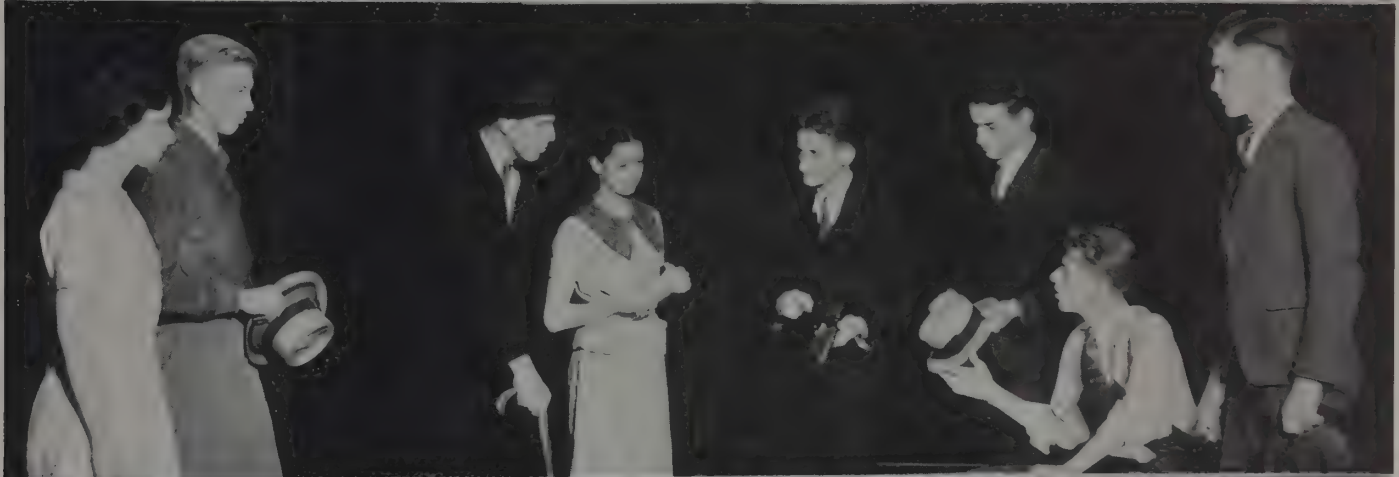

In the preceding pages, our moods, our friends, our work and our play were caught by the camera staff. Here we are at an after school dance in the gym, in the hurry and rush of the halls between classes, and in the Pennant office signing up for annuals.

Whether we were in the labs doing experiments, in the annex making drawings, on the stage making money for our class, on the field or the concert stage winning fame for our school, or just being ourselves. . . . we were enjoying it all, and these pictures carry that spirit into a thousand homes.

Little will we ever need to beg Time to turn backwards, for we have only to thumb these pages to find ourselves again at Elkhart High in nineteen thirty-five.

The Meanest Man In The World

BY AUGUSTIN MacHUGH

The story of "The Meanest Man in the World" revolves about a young New York lawyer who has made a failure of his profession because of the fact that he is encumbered with human sympathy and kindness. He is sent to collect a bill from J. Hudson and Company in a small Pennsylvania town. When he gets

there primed for what he considers his last chance to make good, he finds that J. Hudson and Company is a young and extremely attractive girl who will be thrown out penniless if the big million-dollar concern he represents succeeds in collecting their bill. He also finds that Leeds, the village millionaire, the

world's tight wad, in conjunction with his own employers, is trying to fleece this girl out of a rich oil field. How he fools these men, gets the girl's rights for her, falls in love and marries her, and puts the town on the map is shown by the story.

The Goose Hangs High

BY LEWIS BEACH

Bernard Ingals and his wife live in Grandmother Bradley's fine old house in Dunbar, Illinois. Mrs. Bradley is an aristocrat of pioneer stock who has very decided ideas on children's attitudes toward their parents. She is thoroughly aroused at the selfish, careless manner in which Lois and Bradley Ingals accept their parents' sacrifices so that they may attend college, and in the thoughtless way which the oldest son, Hugh, proceeds with his own plans of marriage without consulting his father or mother.

Christmas vacation brings the family together for the holiday festivities and in the midst of the carefree time comes the news that Mr. Ingals has lost his position at the Sutton Chemical Works at which plant he was Distribution Manager.

The bombshell explodes with effects entirely unforeseen and unbelievable. The children exhibit depths of character quite undiscovered theretofore; and the fact that they, too, can sacrifice and give willingly is a most enjoyable discovery.

Coaching Staff

CHELSEA C. BOONE

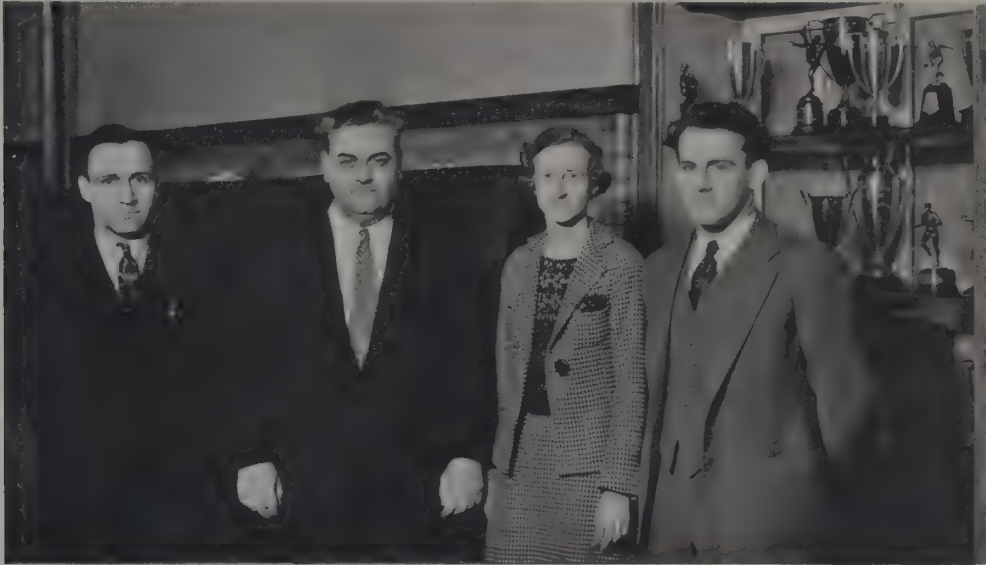

During the thirteen years that Coach Boone has spent directing Elkhart High School athletics, our school has consistently appeared near the top in the conference records. This year's upset brought E. H. S. down to only third place in the all-time conference standings. Boone's track teams have carried our name to state tournaments for many years. Because of sickness, Coach Boone was unable to finish the football season this year and recently resigned his position as head coach because of impaired health. Mr. Boone will remain as track coach and will continue to teach history.

Mr. Boone has, during the time he has coached football at Elkhart, developed one of the finest athletic systems in this part of the country.

MISS CATHERINE WOLF

In the few years she has spent coaching Elkhart High School tennis teams, Miss Wolf has led three teams to Northern Indiana championships. Miss Wolf has developed many excellent players who have received recognition both on college teams and in tournaments.

Miss Wolf is herself a tennis player of high ranking, having held the Women's Western single title; while on tour this summer captured many titles for which she was rewarded with the tenth National Women's ranking. Miss Wolf also coaches all girls' athletics.

JOHN LONGFELLOW

As basketball coach, Mr. Longfellow has undeniable skill; his teams have always been rated among the best in the conference and are worthy foes for any opponents. Mr. Longfellow's quiet manner and proven ability have won him confidence and admiration among the many fans who attend basketball games in the E. H. S. gym.

Besides his basketball coaching, Mr. Longfellow is Sandbur football coach, preparing the younger boys for Varsity football.

HARRISON BERKEY

In his first year on the E. H. S. coaching staff, Mr. Berkey proved to Elkhart fans that he is the right man to fill Bill Moss's shoes. When Mr. Boone was forced to give up his coaching for this year, Mr. Berkey stepped in and coached the football team for the remainder of the season. Mr. Berkey is a graduate of Wabash College and has had previous coaching experience. He also aided Mr. Longfellow in his basketball coaching.

ELKHART vs. MOOSEHEART

The Elkhart Avalanche dropped the opening game of the '34 season to the more experienced, heavier Mooseheart eleven. The game was played before about 2,000 fans in a driving rain. Tom Lonchar, Rambler halfback, starred for the Mooseheart team, scoring 2 of the 3 touchdowns; Conn scored the other.

The Blue men seemed unable to get under way on the slippery field. Starting early in the first quarter, the Mooseheart eleven marched down the field to the Elkhart three-yard line to end the quarter. On the second play of the next quarter Lonchar went over and Bowles kicked, giving Mooseheart a 7-0 lead. Elkhart rallied several times to take the ball on downs, but couldn't hold the Rambler drive. The game ended in a 19-0 score.

DE LA SALLE vs. ELKHART

In the second game the Boonemen rallied to down the De LaSalle team with a 14-to-7 score. Snapping out of a dull first quarter in which neither team scored, the Avalanche out-played De LaSalle in the remaining three quarters, in spite of a ninety-three yard touchdown jaunt by De LaSalle on an intercepted pass to Bill Lauer for the extra point to tie the score. The second Elkhart score came in the last minutes of the game, when Bill Ronzone, Elkhart fullback, carried the ball on a series of plunges from the fifteen yard line. Hook replaced Ronzone and slipped over for the extra point. The visitors fought back to the Elkhart eighteen-yard line as the game ended.

FORT WAYNE CENTRAL vs. ELKHART

The Avalanche lost its third tilt on a sloppy field to the Fort Wayne Central team. The Tigers crashed on the Elkhart goal line twice in the second quarter and made one extra point try, giving them a 13-0 lead over the Boonemen. The scores were made on passes and plunges by the Tiger's three colored backfield men. Two scoring attempts by the Avalanche went

Football

haywire when a fourth down pass on the 23-yard stripe was incomplete and Hook, Elkhart fullback, fumbled on the Fort Wayne eighteen-yard line. Early in a hard-fought fourth quarter Hook tossed a thirty-yard pass to Maure, who was downed on the Tigers' twenty-two yard line. Hook took the ball to the eight yard stripe and Maure carried it over for the only Elkhart score. "Ironman" Albaugh's try for point was low. The game ended with Elkhart on the wrong end of a 13 to 6 score.

LA PORTE vs. ELKHART

During a downpour of rain the Laporte Slicers plowed their way to a thirteen to six win over the Blue Avalanche. The Boonemen gained a six-point lead early in the game, after a blocked punt put them deep in Slicer territory. Maure carried the ball over the goal.

The game was marked by several penalties on the Boonemen, one of which brought about Laporte's first score. Score at the half: 6-6. Midway in the fourth quarter, the Slicers slogged half-way down the field through ankle deep clay and chalked up the winning marker. The plunge for extra point was good, giving Laporte a 13-6 lead which they held until the gun ended the game.

RILEY vs. ELKHART

The Riley Wildcats gained revenge on the Boonemen by scoring their first victory over Elkhart since the two teams have played each other.

The Boonemen seemed unable to get under way against the Wildcats who pushed the Avalanche nearly the length of the field for their first score. Bill Lauer blocked the kick for extra point.

In spite of ground gaining for the Boonemen by Maure, Hook and Foster, and good punting by Bob Weaver, quarter back, the Wildcats again scored giving them a 12-0 lead.

The third quarter was marked by a hard-fought battle in which LaDow did most of Elkhart's ground gaining. Hook carried the ball for a nice run to the nine-yard stripe but failed to gain through the Riley line and the Boonemen lost the ball.

Riley intercepted Hook's pass and scored a touchdown through a pass to Toolle. Katzenmacher drop-kicked the nineteenth point and the gun ended the game. Score: 19-0 in favor of Riley.

MISHAWAKA vs. ELKHART

Elkhart was decisively outplayed by the Maroon team of Mishawaka, leaving Elkhart still in the eastern division cellar. After a drive from their 37-yard line to Elkhart's 11-yard marker, Poulinch dashed around end for the first touchdown. Lippen's place-kick was good, giving

the Cavemen a 7-to-0 lead. Midway in the second quarter Mishawaka completed a pass from the 18-yard line for the second marker, sending them to a 13-to-0 lead. In the fourth quarter Mishawaka advanced the ball to the 1-yard line and DeWitt went over for 6 more points. A pass was good for the extra point making it 20 to 0. Later in the final period, the Maroons advanced the ball from their 25-yard line to Elkhart's 8-yard marker where Alessandri raced over the goal for the final score: 26 to 0.

PLYMOUTH vs. ELKHART

The next week Elkhart lost an exciting night game to the strong Plymouth eleven by a score of 7 to 6. This was the first victory for the Plymouth team over the Blue Avalanche. During the first quarter the play was evenly divided. In the second quarter Elkhart started a drive in which Maure, Lauer, and McIntyre placed the ball on the half-yard line. Elkhart fumbled and Plymouth recovered for a touchback.

Midway in the third period Ronzone passed to Maure for Elkhart's 6 points. Ronzone's attempted pass for extra point was not good. The score stood 6 to 0. In the last quarter Elkhart stopped a Plymouth drive by intercepting a Plymouth pass but lost the ball on a fumble on the next play. Heiser threw a pass to Truman on Elkhart's 5-yard line. Evans then carried the ball for a touchdown. The try for extra point was good giving Plymouth the win by a score of 7 to 6.

GOSHEN vs. ELKHART

A last minute rally that started too late to catch up with the Goshen Redskins spelled defeat for the Blue Avalanche by a score of 6 to 12. In the last few minutes of the first quarter, Goshen started a drive from Elkhart's 31-yard line to the half-yard line where Ralston took it over for the first touchdown. The try for extra point went wide, putting Goshen in the lead 6 to 0. In the third quarter LaDow's pass was intercepted by Yoder who returned it to Elkhart's 31-yard line. Goshen then proceeded to pass and run the ball for a touchdown, Phend making the score.

Football

In the last quarter Weaver punted to Goshen's 11-yard line where a Goshen player touched the ball; therefore it became Elkhart's ball. A pass, Archer to Maure, was good for 7 yards. Maure and Archer took it to the 1-yard stripe where Maure ran across the goal for Elkhart's lone score. Final score: 12 to 6 in favor of Goshen.

ST. HEDWIGE vs. ELKHART

The game with St. Hedwige of South Bend was a thriller from the beginning to the final gun. Elkhart was within 5 yards of the goal when the game ended, both teams failing to score. The game was mostly a punting duel between Mrozinski and Weaver, Weaver having the advantage on distance and doing a nice bit of ground gaining. Late in the third quarter Basker fumbled and Elkhart recovered. Weaver punted and Maure recovered for Elkhart on the 40-yard stripe. During the first part of the fourth quarter the ball was in the hands of St. Hedwige but Elkhart controlled the ball during the latter part. Elkhart had advanced the ball to the St. Hedwige 5-yard line as the game ended in a scoreless tie: 0 to 0.

MICHIGAN CITY vs. ELKHART

Elkhart traveled to Michigan City and lost its fifth straight to the Michigan City Red Devils by a margin of 28 to 0. The Blue fought its way into the Red Devil's territory in the opening minutes, but Michigan City soon hit their stride. Joe Checchio who had just recovered from a broken arm, ran for 50 yards, but the ball was called back for a backfield-in-motion penalty. In the second quarter a 70-yard march led by Vergane, Michigan City, scored a touchdown and a drop-kick was good for 7 points.

At the beginning of the third quarter Ciolek scored for Michigan City and Vergane made good the try for extra point. Stevens scored the third touch-down. Bintz tallied the last score and Volster plunged for the extra point as the game ended with the score 28 to 0 in favor of Michigan City.

SOUTH BEND vs. ELKHART

The Blue Avalanche suffered its ninth defeat at the hands of the South Bend Central Bears. This game, played on the South Bend field, marked the end of the Boone-men's 1934 schedule. The Bears started scoring early in the first quarter. Basker scored twice for South Bend and Lentsch made the extra point good, giving the Bears a 13-to-0 lead. Kaczmarek galloped 53 yards to the Elkhart 14-yard stripe. Rice carried the ball for a touchdown. The fourth and final touchdown came as the result of a blocked punt, which Daly scooped up on the 18-yard line and carried over the goal. Lentsch again kicked the extra point. The game ended with Elkhart on the short end of a 27 to 0 score. Ronzone, Lauer, and Wolf were the outstanding players for Elkhart.

Varsity Football Squad

(Due to unfavorable weather, it was impossible to photograph the squad in playing equipment on Rice Field.

First Row—Shasberger, Stone, Milanese,, Chaffee, Johnson, Jackson, Cutshaw, Frechette, Reed, Stoner, Foster, Lauer, W., LaDow, Flauding.

Second Row—Jones, Walters, Troyer, Lantz, Baskerville, Morrow, Ronzone, Davidson, Harris, Lauer, P., Rowe, Leonard, Ault, Bringle, B., Dascoli, Soli.

Lost Row—Head Coach Boone, Ott, Wilhelm, Kelly, Abbott, Drummond, Assistant Coach Berkey.

Football

Playing under the handicap of lack of weight, numerous injuries, and the need of experienced players, the Elkhart Blue Avalanche went through a rather disastrous season, winning one game, tying one, and losing nine.

Due to illness, Head Coach Boone was forced to turn over his responsibilities to Mr. Berkey, our new assistant football mentor who proved his capability by managing the team for the remainder of the season.

The 1934 squad had plenty of good backfield men but lacked heavy players in the forward wall and although the Boonemen fought hard in every game they failed to “click” against unusually strong opposition.

Basketball

ELKHART vs. LA GRANGE—Dec. 7

The Elkhart Blue Blazers opened the 1934-35 season with a 35-19 win over the LaGrange Lions. At the half, the Blazers were trailing by a score of 10-7, although they showed a decided change at the beginning of the second half. Broadbent tied up the score and McFall's free throw sent them ahead. The local men held the Lions to one point in the last quarter and pulled down a score of: ELKHART, 35; LAGRANGE, 19.

ELKHART vs. MICHIGAN CITY—Dec. 14

The conference opened with a scrappy little forward and a giant center connecting with plenty of good floor work to take the game from the locals. "Big Bill" Vergane, whose tip offs held the Blazers at a loss practically the whole game, made nine points for the Devils. The Instrument city boys were held by the Devils to a single point in the first and third quarters. A substitute, Don Yerke, made the only bucket, a long shot. The game ended: MICHIGAN CITY, 34; ELKHART, 14.

ELKHART vs. GOSHEN—Dec. 15

The Redskins of Goshen took a double overtime to defeat the Blazers, 23-19. The locals held the rule the first three quarters. Broadbent, Yerke and Carberry helped to run the score up to 8-4 at the end of the first quarter. The Redskins held the Blues who were unable to score any points in the second quarter. In the third quarter, Paff brought the score to Goshen, 14-12, and Phend, in the fourth quarter, sent the game to 17-13. Baskerville tied the score in the first overtime. Stump in the second overtime sent the Redskins to a safe victory. Score: 23-19 in favor of Goshen.

NAPPANEE vs. ELKHART—Dec. 21

In the game with Nappanee, the Bulldogs pulled a near upset out of the fire in the closing minutes of the game. The Blazers were leading at the half and third quarter but in the last quarter were subdued by a fighting Bulldog rally. Final score: 32-30. Broadbent and Carberry shared the scoring honors.

ELKHART vs. LIGONIER—Dec. 26

The Blazers followed up with a win from the Ligonier five, 33-23. In the lead at the half, the Blazers played rather sloppy defense basketball and allowed 12 points to be chalked up by the Ligonier men. But to make up for that, the Blue Blazers hung up 18 points for themselves. The tow-headed Broadbent took scoring honors with three goals and four charities.

ELKHART vs. VALPARAISO

Even though the Blue Blazers scored 30 points, for the fourth time this year, it wasn't good enough to whale the powerful Valparaiso five. Led by Koble the visitors took the Blazers into camp by a score of 43-30. The Blazers, led by Broadbent, who copped nine points, played a hard game, but the ten point lead at the third quarter grew too fast for Elkhart to overcome.

ELKHART vs. LA PORTE—Jan. 4, 1935

In a close fought conference game, the Blazers lost in the last minute to LaPorte, 21-18. Using strong defensive tactics, neither team was able to score very frequently. Led by Weaver and Troyer, the Blazers took away LaPorte's lead and held it until the closing minutes of the game when LaPorte forged ahead.

ELKHART vs. WARSAW—Jan. 19

The Blazers dropped another game in the last quarter to the Warsaw Tigers. The Elkhart quintet was leading by six points at the end of the third period, but the Tigers, led by Jonas, scored eleven points in their fourth quarter rally while the Blazers could score but one point. Carberry led the Blue with eight points. Final score: Warsaw 30, Elkhart 26.

ELKHART vs. RILEY—Jan. 25

The Blazers removed the goose-egg from their conference standing by taking the Riley Wildcats into camp to the tune of 27-22. Playing an almost perfect defense game, the Blazers bottled up all but one Wildcat, Huckins, who scored sixteen points. Weaver and Broadbent led the Blazers in points, but Cripe started the second quarter rally that forged the Blue ahead. Final score: Elkhart 27, Riley 22.

ELKHART vs. WINAMAC—Jan. 26

In their annual meeting with Winamac, the Blazers ran the winning streak to two last-minute victories. Both teams missed more shots than they made, but it was a fast-breaking game. Led by Carberry and Broadbent, the Blue were leading until King tied the score in the last quarter. The game went into an overtime and Broadbent scored the winning basket. Coach Longfellow was ill, but Coach Berkey took charge of the team in Winamac.

ELKHART vs. NAPPANEE—Feb. 1

Led by Broadbent, who scored fifteen points, the Blazers sucked under the Nappanee Bulldogs, 28-22. Except for the first bucket of the game, the Blazers led all the way. Weakened by the poor condition of Captain Conrad, the visitors displayed a jerky attack that left them far behind. Before a partisan crowd of 2,000, the Blazers got revenge for their earlier defeat. Final score: Elkhart 28, Nappanee 22.

ELKHART vs. SOUTH BEND CENTRAL—Feb. 8

In an old-fashioned rough-and-tumble game, the Blazers took under the Central Bears. Both teams used football tactics, but the Blazers came through by a score of 21 to 15, in their favor. During the entire first half the Blazers played ragged ball, and as a consequence, were trailing 8 to 4 at the half. Led by Broadbent and Carberry, the Blazers fought for and obtained the lead from the Bears in the third frame and kept it during the rest of the game. Final score: Elkhart 21, South Bend Central, 15.

ELKHART vs. KENDALLVILLE—Feb. 9

The Blazers continued their winning streak to five straight in the win over the Kendallville Comets. It was anybody's game the first three quarters, but in the last quarter the Blazers drew ahead and kept the lead. Led by Weaver and Broadbent, the Blazers collected eighteen points in the last half to the Comets' seven. Final score: Elkhart 33, Kendallville 21.

ELKHART vs. GOSHEN—Feb. 15

In a sensational game, the Blazers came from behind, not once, but four times to defeat the fighting Goshen Redskins by a score of 25 to 24. Led by Broadbent, Weaver and McFall

in the second half, the Blazers came from the short end of a 15 to 9 score, to the long end of the final score. It looked as if the Blazers would miss out on the conference runner-up honors, what with missing so many free-throws, but they finally won out in a nip-and-tuck fourth quarter. Final score: Elkhart 25, Goshen 24.

ELKHART VS. FORT WAYNE CENTRAL—Feb. 22

The Blue Blazers tasted defeat from the Fort Wayne Central quintet in a very one-sided battle. Playing very ragged basketball, the Blazers trailed the whole game, threatening the Central lead only once. Broadbent carried off high honors with eight points. Final score: Fort Wayne Central 31, Elkhart 17.

Basketball Individuals

1. BOB WEAVER—Played his fourth and final year of Varsity basketball this year. A fighting forward who turned many a defeat into victory. A dead-eye shooter and an excellent defensive man. Bob received honorable mention on the conference team.
2. BILL BROADBENT—High scorer of the '34, '35 season. A fast, scrappy forward who seemed unable to miss the basket. Bill is a Junior and is one of the best prospects for next year's team. Bill was picked on the first conference team.
3. JIM CARBERRY—A tall, powerful center man who took his share of the scoring honors. A promising sophomore who displayed considerable ability to follow in the footsteps of Patanelli. Jim received honorable mention on the all-conference team.
4. MAX CRIPE—The spark plug of the team. Max got in many an opponent's hair. A senior who has been plugging in for his chance since he entered High School.
5. O'LEARY DOLL—Another senior who will be lost to the team next year. Doll was captain of the Blazers, played

a consistent game of excellent offensive and defensive basketball at guard position. "Oxy" received honorable mention on the all-conference team.

6. FLOYD TIPMORE—A clever forward, Tipmore played headsup basketball every minute he was on the floor. "Bill" has two more years of Varsity competition.
7. JOE MILANESE—A lanky forward who finished his last year of Varsity basketball this year. Joe played strong offensive and defensive ball and will be a real loss to next year's squad.
8. DON TROYER—Alternated at the center post with Carberry and played forward part of the time. His chief weapon on attack was an unorthodox pivot shot that frequently fooled the opposition.
9. DON MCFALL—Cripe's understudy at floor-guard. Another star member of the '34, '35 squad who will be available for service next year.
10. DON YERKE—Playing his first year on the Varsity squad, Don gave considerable promise that next season he will be able to step into a first-string position.

Interclass Basketball

Interclass basketball was started this year with a good supply of boys entering. The group was divided into four leagues. The leagues played two nights a week all through the season, the first part of which was devoted into team organization and fundamentals, and the last part to a 15-game schedule. Mr. Boone organized the league and "Little State" tournament. The Junior "A" team won the pennant, with 14 wins and 1 loss. Joe Maure, Captain of Junior A team, scored more than 150 points to win point honors for all leagues, Chas. Wilcox was high-point man in B League with 80, Jenkins high point man in C league with 67. In the D league 70 boys played among themselves throughout the season, and were allowed to enter the Little State tournament. Art Quarandillo was scorer. La Mar Ott and Charles Hook, officials.

Track Notes

The 1934 track season, while not a startling success, was one of which all the student body should feel proud.

The Blue Streaks were not so successful in their three dual meets, losing to North Side of Fort Wayne, Mishawaka, and South Bend Central, but they won the quadrangular meet at Michigan City, placed fifth in the Conference, won the Sectional and placed eleventh in the State meet.

The season opened at Fort Wayne with the score 80-29 in Fort Wayne's favor. The low score was probably due to the short period of training and mishaps which occurred on the way there. A tie in the pole vault and a win in the half-mile relay counted for the majority of the Elkhart points.

The following Saturday, the Blue Streaks fell to South Bend Central, 69-39. They showed an improvement by winning the mile, 120-yard high hurdles, and the broad jump.

In the quadrangular meet held at Michigan City, Elkhart scored its first win of the season in beating Michigan City by a narrow margin. C. W. Harris set a new meet record of 2:09.3 in the half-mile. The mile relay team followed suit by lowering the old mark to 3:42.5. (Steinberg-Maure-Checchio-Harris). Other firsts were won by Joe Maure in the 440 and Joe Milanese and Bob Warner tied in the pole vault. The final score was Elkhart 46½, Michigan City 45, LaPorte 42, and Goshen 9½.

In the Conference meet held at Gary, the Blue Streaks finished in fifth place with 24 3/5 points. Horace Mann placed first with 50 points, Mishawaka second and Hammond third. New Conference meet records were set in the 220, 440, and the mile relays.

Elkhart dominated the Sectional by placing a man in every event qualifying them for the State meet. Lloyd Harvey and Marlowe Shaw were the leading performers in the meet for Elkhart. Lloyd Harvey set a new Sectional record in the high jump for 5 ft. 9½ in. The result of the meet was Elkhart 61, Middlebury 17, Warsaw 17, Goshen 14, Concord 4, and Lagrange 3.

In the State meet, Elkhart captured a third place in the fast section of the mile relay, a fourth place in the slow section of the half-mile relay, a fourth place in the 880 event to make a total of seven points for eleventh place. Horace Mann of Gary won the championship.

Spring Tennis 1934

The spring tennis squad of Elkhart High School under the direction of Miss Catherine Wolf had a very successful season and placed as Conference Champs. They played LaPorte, Riley, South Bend Central, Nappanee, Mishawaka, Goshen, Culver, and topped off the season with a 4-1 victory over East Chicago in the East-West play-off which won them the Conference Championship. The season netted them nine victories and no defeats not counting the Culver match which was halted by rain with the Blue ahead 2-0.

A notable feature of the season was the clean record of the three singles players Olson, Lansche, and Holdeman whose brilliant playing throughout the season spelled defeat for every player who opposed them in the singles matches. Olson, Holdeman, and Troup are lost to the next year's team by the graduation route.

Fall Tennis 1934

The Conference schedule of the fall tennis squad was the same as the spring schedule. They started out like lambs but ended up like lions, for the first match of the season, against LaPorte, was dropped by a score of 3-1, by the Blue netters. Bracing up they hit their usual stride and finished the season without another defeat, winning 5 and losing 1, giving them second place in the Conference. None of the players are lost to the squad for the 1935 season.

Girl Sports

The E. H. S. Wolves, the Girls' Sport Club, is becoming increasingly popular in Elkhart High School. For the first time in history, the club, under the direction of Miss Catherine Wolf, the faithful coach and the pal of all the girls, played a volleyball and basketball game, charging ten cents admission. This money, combined with the dues, paid for the club pictures in the Annual. Officers for the year of 1935 were: President, Evelyn Truex; vice-president, Mildred Yeager; secretary, Jeanette Albright; treasurer, La Vera Selby.

The season was opened with volley ball. After a few weeks of good practice, teams were organized with the following captains:

Leona Mackoski, Team 1; Evelyn Truex, Team 2; Jean Albright, Team 3; Marie Bruckert, Team 4. Teams were numbered according to the number of votes the captains received. Several weeks were spent in playing the league, which resulted in a close play off between the Mackoski Team and the Truex Team. The game was won by the Truex team by the very close score of 15 to 13. This game was played in the gymnasium before a large group of spectators.

The girls' basketball season opened this year with a great deal of enthusiasm. Miss Wolf, as in former years, divided the group into two classes: the advanced players and the beginners. After a few weeks of inspiring practice, eight captains were elected from the advanced group. They were as follows: Mildred Sohm, Team 1; Mildred Yeager, Team 2; Doris Bloom, Team 3; Mary Wineland, Team 4; La Vera Selby, Team 5; Eleanor Stock, Team 6; Charlotte Lape, Team 7; Mary Crisafulli, Team 8. These girls met and chose teams from both groups. They received team numbers and choice of players according to the number of votes they received. They then began the league schedule with each team meeting every other team. The league ended with the Wineland team on top with seven games won and one lost. The Lape team finished the league with an unusual record of losing every game.

Interclass basketball, the last phase of our athletic year, was opened with the choosing of captains. They were as follows: Iona Pepple, Seniors; Dorothy McDonald, Juniors; Esther Putt, Sophomores; and Leora Rowe, Freshmen.

These games were played in three evenings, the Juniors defeating the Seniors and the Sophomores defeating the Freshmen. In the final game between the Juniors and Sophomores, the Sophomores came out on top, making them the champions of interclass.

The stars were chosen from these four interclass teams and an all-star game was played in the gymnasium before a large crowd of fans who paid admission. The captains of these teams were Jeanette Albright and Mildred Yeager. The Yeager team won by a score of 22 to 7.

At the close of the season a swimming party was given at the Y. M. C. A. A large group from both the basketball and volley ball teams attended and the party went over with a splash!

Calendar

As Charles Dickens would have put it, the past year in Elkhart High School was the time of happiness; it was the time of sorrow; it was the time of hope; it was the time of despair; it was the time of joy; it was the time of gloom; it was the time of friendly co-operation; it was the time of deadly rivalry; it was the time of prosperity; it was the time of depression; it was the time of frivolity; it was the time of misery; it was the time of success; it was the time of failure; it was the time when spirits rose to the zenith; it was the time when spirits sank to the nadir. Here is an event-by-event description:

Sept. 5—Old Man Ignorance attacked by combined forces of freshmen, sophomores, juniors, seniors, and post graduates.

Sept. 7—Avalanche drops opener to Mooseheart, 19-0.

Sept 13—"Challenge of Tomorrow" discussed by Col. Bullock of South Bend in assembly. Nineteen hundred students decide to mend their ways.

Sept. 14—Elkhart wins only football victory of season. Trounces DeLaSalle of Chicago, 14-7.

Sept. 18—Characterizations from Charles Dickens ably presented by E. Stanley Brooks, famous Australian actor. Heep, the two-faced clerk in "David Copperfield" and Scrooge from "The Christmas Carol" dramatized best. Will you ever forget Brooks in that night-shirt?

Sept. 21—W. E. Wider, local attorney, addresses student body on "The Constitution of the United States". The document, not the ship.

Sept. 21-Nov. 17—Football depression. Elkhart drops six straight grid contests, then ties St. Hedwige of South Bend, but loses two more tilts to close regular schedule dismally.

Sept. 28—Annual Teacher's Banquet. Several new teachers welcomed to the faculty.

Oct. 25—Seniors select announcements. Begin to think about leaving the old jailhouse. Many crocodile tears shed. Juniors choose rings and pin about this time.

Oct. 27—Hi-Y throws box social and scavenger hunt. 'Tweren't a fit night out for man nor beast. However, a good time was had by all. At least, you'll hear no complaints from this quarter.

Oct. 30—David Hughes, erstwhile music department head and sponsor of the June Seniors, proudly becomes a papa. Bursts three buttons off his vest.

HAVE YOU TRIED IT?

ALKA-SELTZER

Someone called Alka-Seltzer "versatile." That's a good descriptive word. Alka-Seltzer does a lot of things for you and does them all well. It is fine for Headache; tastes good; relieves quickly; does not upset the stomach.

Alka-Seltzer helps when you have a Cold. It furnishes, in one pleasant drink, the salicylate-alkaline medication considered very effective by up-to-date doctors. Often, Alka-Seltzer, if taken at the first cough, sneeze, or snuffle, will break up your Cold.

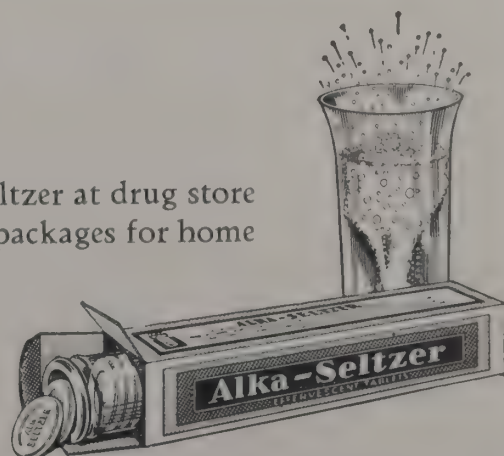

Alka-Seltzer helps you to sweeten an acid stomach and relieves Heartburn and Stomach Gas. Alka-Seltzer relieves Muscular Pains. When you are tired, Alka-Seltzer will pep you up.

Here's why Alka-Seltzer is good for so many every-day ailments. Most of these ailments are caused—all are made worse—by too much acid in the body. Alka-Seltzer helps to overcome acidity.

But Alka-Seltzer is more than a mere alkalizer—listen!

It is called Alka-Seltzer because it makes a sparkling alkaline drink. As it contains an analgesic, (acetyl-salicylate), it first relieves the pain of every-day ailments, then by restoring the alkaline balance, corrects the cause when due to Excess Acid.

You can get Alka-Seltzer at drug store
soda fountains, and in packages for home
or school use.

He: "Don't you think my mustache becoming?"

She: "It may becoming, but it hasn't arrived yet."

"Do come and spend the evening with us. My daughter will sing and play and we will have dinner at eight o'clock."

"I'll be there promptly at eight."

Three Chinese laundry men there were
Who toiled the livelong day,

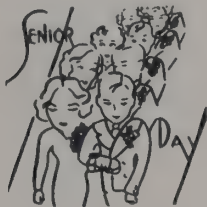

Till one broke down from overwork
And went insane they say.

His yellow brethren decided it wise
To take him down the track,

And put him in a madhouse
Till his wits he should get back.

A fast express roared by just then,
And through the trio cut.

That evening in the track were found
Two washers and a nut!

The other night in my sedan
There was just her and me—her man.
I talked of rain, and shine and the old
Forgotten days, and pirates bold,
And ships, and sealing wax, and gold;
Then all at once she said, "I'm cold!"
So I, though chilled, took off my coat
And wrapped my muffler 'round her throat,
And then I talked of golfer's stance—
The styles in clothes—the latest dance,
And how a medium faked a trance.
And I grew cold, but gosh! her glance
Was colder yet. I ask of you—
Just what was it I failed to do?

Once upon a time, not so long ago, there lived an old, decrepit man named Simon Slick.

Simon was deathly afraid of storms, lightning, thunder and wind, so he built himself a large, strong house with few windows and doors. The windows were so close to the ceiling and so small, that it was impossible for even a small boy to crawl through one of them.

One day Simon went into the bathroom to take a bath. Locking the door after him, he started the water running. Soon the water had filled the tub and was running over onto the floor. He tried to open the door, but it was locked so tight that it was impossible for him to open it. The water covered his shoes; then his chest; until it had finally reached his neck. Then he started to swim around, until finally his nose was pressed tight against the ceiling as a last resort for air.

There was only one thing left for him to do, so Simon dove down and pulled the plug out of the tub.

Miss Sharp: "Tell me two important things about Milton."

Joe Sellers: "Well, he got married and wrote 'Paradise Lost' and then his wife died, and he wrote 'Paradise Regained'."

EGGSTRA

"Kerchoo!" the cold storage egg sneezed as I greeted him.

"What is the matter with you?" I asked.

"Oh, it's this darn code," he answered. "What do I mean? Well, the N. R. A. is making things harder for us eggs. Our price is going up to help us get rid of the depression. It all goes back to the day of the crash when Humpty-Dumpty fell off the wall. Remember?" He rolled around with excitement.

"No cracks from you," I said.

"I'm becoming hard boiled. Appearances are deceiving; underneath I've really a heart of gold. I'm always getting into hot water because of my soft heart. Say, you've got to hurry this interview. I'm only a three-minute egg, y'know."

I decided to turn to lighter subjects; so I asked him about Easter.

"My Easter clothes? Well, they'll be anything from pale yellow to orange. You never can tell as you can't count your chickens before they're hatched."

Aunt Hetty: "Sakes alive! I don't believe no woman could ever be so fat."

Uncle Hiram: "What y'reading now, Hetty?"

Aunt Hetty: "Why, this paper tells about an English woman what lost two thousand pounds."

Head Clerk: "I am very sorry to hear of your partner's death. Would you like me to take his place?"

Manager: "Yes, if you can get the undertaker to arrange it."

Lissen: "I hear that you learned to play the piano."

Hurja: "Oh, yes, I learned to play in no time."

Lissen: "Yes, I heard you playing that way yesterday."

"Oh," she remarked gazing into the display window, "isn't that a lovely diamond ring? Let's go buy it."

"Yes," he retorted, "let's go right by it."

we wish to acknowledge our appreciation of all the persons who have been our co-workers and associates throughout the year. To members of the staff who have given much of their time, on sunny afternoons, Saturday mornings, vacations, time when class work and other duties were calling—we owe most of our gratitude. We are also grateful to Mr. Joe Todd of the *Indianapolis Engraving Co.*, Mr. George Abel of the *Service Press* and Mr. Clarence Zeisel of *Zeisel Brothers*. There are many teachers and pupils, who without any official connection, have freely contributed their efforts and interest. Without all of these, this book would not have been possible, and again—we thank you all.
